Health insurance clients:

- ❖ You will need to provide: Current prescription for massage therapy (NO exceptions) A copy of your insurance card (front and back) and Copy of your ID prior to your first insured session.
- ❖ Your first insured visit each calendar year with us will be \$75, this includes a \$35 processing fee which is non-refundable. Any co-pays or co-ins will also be deducted from the total.
Prenatal Massage clients may require special accommodation not covered by insurance: you will be asked to pay an additional \$10 per session to guarantee the best and appropriate care.
- ❖ Subsequent visits are subject to your co-pay/coinsurance. If you have a deductible each visit is \$75 until it is met. If you would like us to verify your insurance coverage prior to scheduling you may fax or e-mail a copy of your insurance card (front and back) along with your full name and date of birth. (If you are not the primary on the insurance policy we will also need the name and date of birth for the primary insured.)
- ❖ Any balance left from the above deposit on your 1st visit is refundable after payment has been received from your insurance company. You may accept a direct reimbursement by check **or** choose to apply it towards future services.

Currently we are accepting:

- ❖ Auto Insurance, Labor & Industries, Aetna, First Choice, First Choice/Group Health, Premera and Group Health Options (using out-of-network benefits) and we may schedule you with one of our associates.

***Please note:** insurance will only cover 1 hour (4 billing units) of massage per session. Additional time is allowed on a cash basis; see our service menu for pricing.

For Group Health members solely using in-network benefits:

- ❖ Group Health also requires an authorized referral for massage therapy listing **Daniel McMullen** as the provider (not simply a prescription). **Please call ahead** to make sure he is accepting new insurance patients prior to obtaining an authorized referral from Group Health.

***Please Note:** If your insurance does not pay for your first visit within 6 weeks or by your 6th visit, we will need to suspend any further scheduling until we have received payment or an explanation from your insurance company.

All insurance clients have a quick health intake form to fill out prior to their first session and must agree to the following:

- I agree to be responsible for the entire billed amount of my session(s) should my insurance company fail to pay within 16 weeks of initial billing.
- I agree to provide 24 hour cancellation notice. If I fail to do so, I agree to pay the full appointment fee.
- Pregnancy/labor, illness and injuries are NOT exceptions. Please be thoughtful & responsible regarding your scheduled appointments. (Client is solely responsible for cancellation charges.)

We look forward to working with you!
